

NOTION LIFE OS TEMPLATE

Title	Notion Life OS Template
Category	Personal , Personal Productivity , Planning and Goals ,
Description	Notion Life OS UPDATE The life OS now also includes a 25-page template guide that you get free with the template Why did I create this template when downloading notion with the thousands of inspirational dashboards, systems and templates you can find on the internet, it can be frustrating when you start with a blank page. I have seen many people who are new to notion and are completely overwhelmed with all the features that notion has to offer. this system has enabled me to make my everyday life more organized and productive So I created the Notion Life OS - Starter Pack to make it easier for newcomers to get started with Notion! Who is this product for this product is for you if: • you are new to notion • you don't have time to build your own working system in notion • you need a functioning system that will get you to your goals • you want to start organizing your life in notion without watching 100+ hours of tutorials Why should you buy this Template? • Start planning and organizing without having to build a system first • Save your knowledge in an intelligent knowledge bank • Save 100+ hours on tutorials, reading articles and building your own system • organize your life with life areas, projects, tasks, goals and habit trackers How you will benefit from the template • No tedious work on your notion system • Never forget a task or a note again • A productive everyday life with intelligent systems • Increase your productivity What is included • Task Manager -> GTD system, single price \$37 • Intelligent Knowledge Bank • Life Areas • Expense Tracker • Project Manager • Habit Tracker • Weekly Planner • Read Tracker • Movie Tracker • Recipe Manager • Goals Manager • Bucket List • Daily/ Weekly/ Monthly Goals • Notes and Ideas Database • Daily/ Weekly/ Monthly and Yearly reviews • PPV workspace • A Place to save your Favorite Pictures and Quotes • Archive
